Thanks to everyone who helped make our Hearts at Home KNLW booth a success! We gave away a bunch of freebies (including a very popular bowl of chocolates), and signed up over 100 people for our upcoming KNLW mailing list.

Have you figured out what you'll do for **SINGSPARATION** yet? Remember, God has given you gifts and talents to SHARE... we want YOU! Please let Michele know what you'll be doing by **December 9th** ([truckducks@yahoo.com](mailto:truckducks@yahoo.com)). Thanks!

As Christmas approaches, we're going to keep ramping up the amount of Christmas music we play on New Life 98.9 FM, until we're almost 100% Christmas music for the last half of December. Merry Christmas, and thanks for listening to KNLW!
